

## Appendix G

The exhibition on elevational modifications to the application.

This exhibition was held on the 10<sup>th</sup> of May. Residents were only given a few days notice. Nevertheless about 85 residents attended. Over 80 of them signed the following petition to the Director of Planning. The text of the petition was as follows:

*“I attended the exhibition at St Mary's Centennial Hall held on 10<sup>th</sup> May. Having seen the proposed modifications to the proposed building modifications for the Campion development I wish to state that these changes do not affect my main reasons for objecting to the application. In particular, I believe that the scale and layout of the main buildings are out of character with the Spring Grove Conservation area”.*

A number of residents also wrote to the applicant to express their views about the proposed changes.
